Introducing Pacific Blue Ultra™

Performance at Work™

We've Refined the Refill

Pacific Blue Ultra™ automated and mechanical towel dispensers use the same roll towel—your choice, brown or white.

INVENTORY EFFICIENCY

Available in 3-roll packs (for those with limited storage) or 6-roll packs.

AFFORDABLE QUALITY

High-capacity rolls minimize refill frequency, while one-at-a-time dispensing helps prevent waste.

EASY TO MAINTAIN

Dispenser design includes easy-access front cover that opens 180 degrees.

BATTERY LIFE

Dispenses for up to 90 rolls on one set of 4 D-cell batteries to help reduce maintenance and improve reliability.

DURABLE

Pacific Blue Ultra™ dispensers are built to handle heavy usage.

ADA COMPLIANT

Mechanical Dispenser and Emergency Feedwheel meet ADA Guidelines by requiring less than 5 lbs. of pull force and are operable with one hand.

11" or 14" Towel Length*

11" Towel Length*

Automated Dispensers feature motion activation. Mechanical Dispensers offer a no-touch hang mode.
